Exclusive, Original Rugged Design

Its unique varnished, scratch-protected aluminum shell and shock-resistant rubber sleeve make the LaCie Rugged Hard Disk especially resistant to harsh elements for extra protection wherever you go.

The Speed of eSATA

The LaCie Rugged Hard Disk has both the universal USB 2.0 interface as well as the new Power eSATA interface, which, when connected to a Power eSATA port on your laptop, will allow your drive to be bus-powered. With the included USB power-sharing cable, it can also work with a standard eSATA port as well, making it incredibly compatible.

- Power eSATA interface lets you work faster than ever before
- Rugged: ideal for protecting valuable data on the go
- Up to 90MB/s with a Power eSATA cable
- Shock-resistant metal and rubber design with internal anti-shock bumpers

Features

- LaCie Setup Assistant for quick formatting
- LaCie Backup Assistant
- Power eSATA interface
- Compact, pocket-sized form factor
- Varnished, scratch-protected aluminum shell

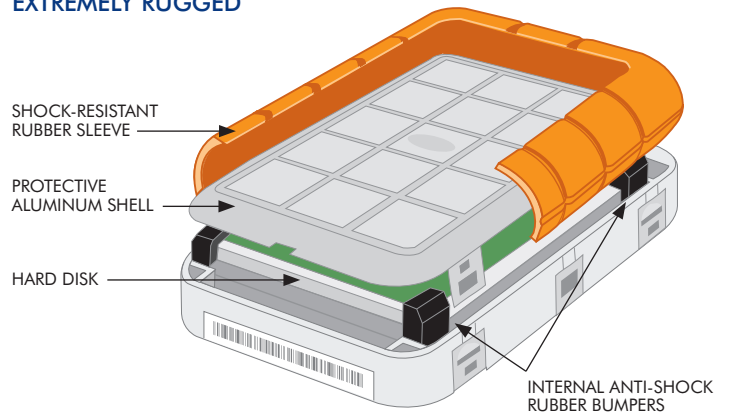

Box Content
