THE CREDIT CARD
SIZED USB 2.0 KEY

● TRUE PORTABLE CONVENIENCE

Imagine how fun it will be to carry your photo album, MP3 library, and mini-camcorder in a device the size of a credit card for sharing with friends and colleagues whenever you want to. The LaCie Carte Orange is extremely convenient to carry thanks to its rugged design and compact credit card sized shape.

● HI-SPEED USB 2.0 ADVANTAGES

The LaCie Carte Orange easily works without the need for a cable or cumbersome power-supply because it's Hi-Speed USB 2.0 bus-powered. This enables it to deliver a fast interface transfer rate of up to 480Mbits/s. To achieve USB 2.0 speed, your drive must be connected to a USB 2.0 host port.

● ULTRA-COMPACT DATA STORAGE

Store and transport your easy-to-use files, photos, songs and video with the compact and easy to use LaCie Carte Orange. Simply plug it in to almost any computer for easily backing up, archiving and exchanging files. The optional extension cable is a convenient way to access computers that require a longer cable. It comes pre-formatted as a FAT 32 volume and can be used across multiple platforms (Windows 98SE – Windows XP, Mac OS 9 & 10).

● SIMPLE 1-STEP INSTALLATION

With just one simple step, this plug & play USB key couldn't be easier to install. Just plug the integrated Hi-Speed USB 2.0 cable into any laptop or desktop running on Windows 2000, Windows XP or Mac OS X with a USB port and begin to use it. Windows 98SE and Windows Me users can easily install the included driver software and Silverlining 98. Mac OS 9.x users can easily install the included Silverlining Pro software.

4GB

6GB

8GB

- Hi-Speed USB 2.0 bus-powered
- Greater value per gigabyte than flash keys
- Portable credit-card sized USB key
